

# TERMINAL EXPANSION PROJECT

Remote Airline Parking Ramp

# REMOTE RAMP

Temporary covered walkway on the remote airline ramp for passengers.

During construction of the new A Concourse, all airlines are operating from the current B Concourse.

In order to accommodate all airlines and flights, some flights must operate from a remote map and ground load passengers.

# REMOTE RAMP

The temporary covered walkways on the remote ramp.

# REMOTE RAMP

Airlines parking and ground boarding passengers on the remote ramp.

# REMOTE RAMP

Aircraft parked and preparing a flight for departure from the remote ramp.
