

## FOR IMMEDIATE RELEASE

July 14, 2025

### **Billings Logan International Airport Soars to No. 7 for Stress-Free Travel**

**Billings, MT** — Move over, big city airports — Billings Logan International Airport (BIL) just proved that less chaos and more charm is the way to fly! According to Travel + Leisure's 2025 World's Best Awards, BIL has been crowned the **No. 7 domestic airport in the U.S.** for delivering a stress-free experience that travelers actually look forward to when they fly.

#### **Why BIL Is Flying High**

Let's face it — nobody dreams of sprinting through endless terminals or deciphering cryptic signage. At BIL, we focus on keeping things simple, user friendly, and — dare we say — enjoyable. Here's what sets us apart:

- **Short lines** — Our security lines are so short, you'll barely have time to finish your coffee.
- **Easy navigation** — You won't need a map, a compass, or a sherpa to find your gate.
- **Montana hospitality** — Our staff is genuinely warm and welcoming.
- **Scenic views** — We have stunning airport art plus you've got the Beartooth Mountains out the window!
- **Stress-free parking** — No circling the lot for hours.
- **Local flavors and shopping** — Grab a gourmet burger at Stacked, A Montana Grill, a hearty breakfast at Logan's Diner, or a classic Cinnabon for your sweet tooth. Enjoy Montana craft brews at Skyward Brews, and browse local gifts that let you take a piece of Big Sky Country with you.

#### **A Word from Our Director**

Jeff Roach, our Director of Aviation and Transit, couldn't be prouder of the team that makes BIL soar, *"I am very proud of the hard work that the BIL Team does to provide an outstanding passenger experience every day. Their professionalism ensures our customers and stakeholders enjoy a safe, efficient, and aesthetically pleasing airport environment."*

## **The Secret's Out**

Travelers have spoken, Billings Logan International is the place to be if you want your journey to start and end on a high note. Whether you're a frequent flyer or just passing through, we're here to make sure your airport experience is the least stressful part of your trip – as it should be! We look forward to hosting you at BIL soon.
